Form 990 - Organization's Mission

To make a difference in the lives of needy and underprivileged children in Summit, Stark, Portage, Medina and Wayne counties by providing financial assistance for orthodontic and other dental care and offering oral health education for elementary school students.

Form 990, Part III, Line 4a - First Accomplishment

past ten years we have helped over 500 children.

We recognize a child who is self-conscious about his or her teeth may shy away from participating in class or other social activities. Children who receive orthodontic treatment will certainly be healthier individuals. They may also experience improved self esteem and confidence. This will contribute to their becoming more productive individuals as they move from school into their adult life.

Donna Skoda, Summit County Public Health Commissioner, stated the following: It's clear that poor oral health, untreated oral diseases and severe orthodontic problems have a considerable impact on quality of life, including loss of self-esteem, poor performance at school and decreased economic productivity. Yet access to dental services, including orthodontic care, remains the greatest unmet healthcare need in Summit County.

Maintaining the health of your teeth and mouth is not merely a cosmetic activity, but rather a critical part in a complete healthcare plan and a smart investment in physical and emotional health...especially for children.
